THIRD LETTER OF DEFICIENCY

Dear Ms. Judd:

In reference to your rate application received on June 4, 2009, this letter is to inform you that your application has not yet met the sufficiency requirements as outlined in Arizona Administrative Code R14-2-103.

Staff found your application deficient on July 6, 2009. The information the Company submitted on September 3, 2009, did not sufficiently or completely address some of the deficiencies. The continued deficiency is listed on a separate attachment. The 30-day sufficiency determination period will begin anew when the Company corrects the deficiencies and Docket Control receives an original and sixteen copies of the corrected pages.

You have 15 calendar days, or until October 23, 2009, to correct the deficiencies or make other arrangements with Staff to remedy your rate application. If the corrections or other arrangements are not made by the above date, Staff will request your docket number be administratively closed. Docket Control will retain one copy of the original application for Commission records. You may file an original and sixteen copies of an updated application at a later date.
